Greetings all,

Today at 1:30pm I noticed numerous taxis park on Vicksburg... Not counting the ones in the Taxi Zone.

Also, at approximate 9:30 a.m., traffic at the corner of Vicksburg and 98th Street was extremely chaotic. There was definitely a call-out for taxis, but a lot of other traffic... I thought that Century must have been closed or something.

Hi Lt. Boisselle,

I just wanted to reach out and thank you and your motor officers on doing an excellent job with regarding to getting the taxis and shared ride providers off of 98th Street.

We have been moving our offices and so I have been a little distracted, however when I have been on 98th Street I have noticed a definite decrease in taxis.

As well, I have noticed your motors ticketing drivers for various offenses.

We appreciate your help.
